

MBG Fall 2017 Seminar Series
4pm / G-10 Biotechnology Building

08.25 Arjumand Ghazi:

Assistant Professor, Pediatrics, Molecular Genetics and Developmental Biology, University of Pittsburgh

Title: TBA

Host: Sylvia Lee sylvia.lee@cornell.edu

09.15 Huaxi Xu:

Professor and Director, Neuroscience Initiative, Sanford Burnham Prebys Medical Discovery Institute

Title: TBA

Host: Fenghua Hu fh87@cornell.edu

09.22 Wei Yang:

NIH Distinguished Investigator, Mechanism of DNA Repair, Replication, and Recombination Section, National Institutes of Health

Title: TBA

Host: Ailong Ke ailong.ke@cornell.edu

09.29 Erik Anderson:

Assistant Professor, Molecular Biosciences, Northwestern University

Title: TBA

Host: Frank Schroeder schroeder@cornell.edu

10.06 Carolina Barillas-Mury:

NIH Distinguished Investigator, Mosquito Immunity and Vector Competence, National Institutes of Health

Title: TBA

Host: Brian Lazzaro bplazzaro@cornell.edu

10.13 Mike Terns:

Distinguished Research Professor, Biochemistry and Molecular Biology, University of Georgia

Title: TBA

Host: Ailong Ke ailong.ke@cornell.edu

10.20 Joel Neilson:

Assistant Professor, Molecular Biology and Genetics, Baylor College of Medicine

Title: TBA

Host: Andrew Grimson awg58@cornell.edu

10.27 Steve Henikoff:

Investigator, Howard Hughes Medical Institute

Title: TBA

Host: John Lis johnlis@cornell.edu

11.03 Matthew Sachs:

Professor, Biology, Texas A&M University

Title: TBA

Host: Shu-Bing Qian sq38@cornell.edu

11.17 James P. Allison:

Department Chair, Immunology, MD Anderson Cancer Center

Title: TBA

Racker Lecture Speaker

12.01 Erwin London:

Professor, Biochemistry and Cell Biology, Stony Brook University

Title: TBA

Host: Jerry Feigenson gwf3@cornell.edu

12.08 Iestyn Whitehouse:

Memorial Sloan Kettering Cancer Center

Title: TBA

Host: Marcus Smolka mbs266@cornell.edu

12.15 Lori Wallrath:

Professor, Biochemistry, University of Iowa

Title: TBA

Host: Jan Lammerding jan.lammerding@cornell.edu
